### couplet I

When I see her laugh, he's got to be tough,  
and in her eyes he's got a winners look.  
He is a warrior, coming out of hell,  
it's her soul, and my anger he took.

### couplet II

Screaming for mercy, who's gonna win?  
I hear his voice roaring, like evil in hell.  
Somewhere in the dark, they're tolling a bell,  
so let the terrible fight begin.

### refrein

Evil against bad!  
Good against better!

### couplet III

He's got me now, in a killing grip, (it)  
seems as if blood comes out of my brain.  
Like I'm fucking quartered, or fucking hung!  
I'm vomiting, again and again.

### couplet IV

Screaming for mercy, ain't gonna win!  
His Satanic eyes, are laughing of pleasure.  
But I've got hatred, it's my treasure.  
I'm right now stronger, than I've ever been.

### refrein

Evil against death!  
Good against power!  
Dying in blood!

### brug

Possessed creature is attacking me,  
I'm afraid, it doesn't feel alright.  
Burning eyes, are all I can see,  
two light spots coming out of the night.  
I'm attacking, and I believe,  
I've got the power and the might,  
I'm filled with hatred!

### couplet V

I've got him now, my weapon is great,  
I can only think of hate and kill.  
His back is standing, against the wall,  
my mission seems to be fulfilled.

### couplet VI

He's screaming for mercy, I'm gonna win!  
Feel his damnation, coming out of hell.  
He's leaving now, defeated and lost:  
and once again, he screams. (Arrgh,...)

### refrein

Evil against force!  
Power against glory!  
Dying in blood! (Hahahaha , . . . )
